A Nonprofit Organization
Project Stability
North Star Village

We are in the process of gaining our tax-exempt status from the Internal Revenue Service and have been assured by our legal specialist that we can expect to gain our 501(c)(3) status retroactive to the date of incorporation (Jan. 2025).

However, in the meantime, all donations can be made to our fiscal sponsor,

Women's Empowerment Partnership,
a local 501(c)(3) nonprofit organization,
EIN: 93-1210299.

For donations by check: write in the memo line: Project Stability (or PS).

Project Stability, whose board is composed of both unhoused and housed people, will obtain land to support 20-40 unhoused people in designing and building their own solar-powered, net-zero energy, permanent homes in a self-sustaining and self-governed village. The land will be regeneratively landscaped with maximum numbers of trees, shrubs and garden spaces to promote health and wellbeing. Together we will create businesses to employ people so that they develop the skills to join the local workforce.
